PATIENT INSTRUCTIONS – CYCLE MONITORING

Clinic Hours for Daily Ultrasound & Blood Tests

- Monday- Friday from 7:00 am to 9:30 am
- Saturdays, Sundays and Holidays**:** from 8:00 am to 10:00 am.
- **Use buzzer code # 20 on Sundays & Holidays**

Instructions for Blood Work, Ultrasound & Injections

- When you arrive, please sign in on **3** clipboards: ① blood lab, ② ultrasound, and ③ doctor.
- For a **pregnancy blood test**, sign the **Pregnancy Test List only**, located outside of the Blood Chemistry laboratory.
- If you have **questions for the nurse**, please sign your name on your physician's clipboard and write **"see nurse"** written next to your name**.**
- If you are having an **injection** only (ie no blood tests or ultrasounds), sign your doctor's clipboard with "**injection only"** written next to your name.
- If you are **only seeing your physician** sign your doctor's clipboard.
- If your **doctor will be performing your ultrasound**, sign-up on your doctor's clipboard with **"doctor only "** written beside your name.
- You will be called in turn by the Blood lab technician, the Ultrasound technician, and the Doctor (as required).

Please Note: **It is clinic policy that ultrasound results can only be discussed with your physician**.

- **Please notify the Front Desk Staff of any change in contact information: name, address or phone number. Be sure to have your OHIP card updated.**

Instructions for Next Step

- You will be informed when to return after you have been seen by the doctor.
- If you purchase medications, keep your receipts for submission to your insurance company.

Please help us maintain the CReATe Fertility Centre as a fragrance - free environment.

> **If you are unsure of what to do please ask a receptionist or nurse.**
> **For questions regarding blood test results, medications, procedure instructions or concerns related to your procedure, please call the nurse directly at 416.323.7727 ext 2329 or email your questions to cyclemonitoring@createivf.com**
